

2002 Legislative Survey Results

Following you will find the results of my 2002 legislative survey. I will keep your responses in mind as we work through this year’s legislative session. Throughout the session, please do not hesitate to contact me regarding any pending bill or concern you have. Contact me by phone 1-800-382-9467 or e-mail s43@in.gov.

1) When asked if the Legislature should adopt the O’Bannon-Kernan 21st Century Tax Plan as it has been proposed:

2) When asked if Indiana’s tax system should be restructured in such a way that the reliance on local property tax is reduced by increasing state income and sales taxes:

3) A recent proposal suggested that sales tax should be applied to services, like auto repairs or haircuts, excluding medical services. When asked if the state’s sales tax should be expanded to cover services, as well as products:

4) When asked if gambling profits currently earmarked for Build Indiana Fund local projects should be diverted to help ease the state budget crisis:

5) When asked if you support a law which would limit future state spending increases to no more than 1 percent more than inflation:
